Application No.: 09/857,106	:	
PCT No.: PCT/FR00/02709	:	COMMUNICATION
Int. Filing Date: 29 September 2000	:	
Priority Date: 01 October 1999	:	
Attorney Docket No.: 1788/00028	:	
For: Torque Control System of Parallel Hybrid	:	
Powering.	:	

This is in response to the "RESPONSE TO NOTIFICATION OF A DEFECTIVE RESPONSE" filed 12 October 2001 in the above-captioned application.

Applicant's communication filed on 12 October 2001 in response to the Office Notification of a Defective Response (Form PCT/DO/EO/916) issued 12 September 2001 for acceptance of the applicant's first name as Cecile instead of the incorrect Dominique as published by the International Bureau.

Upon contacting the International Bureau, the USPTO was informed that the above-captioned international application was published erroneously and will be republished promptly by the International Bureau with the correct applicant's first name as Cecile.

Accordingly, the Notification of a Defective Response (Form PCT/DO/EO/916) issued 12 September 2001 is hereby VACATED.

The application is being returned to the National Stage Processing Division for processing in accordance with this decision, that is, for acceptance of the Declaration filed 27 August 2001 as complying with 37 CFR 1.497 and for issuance of a "Notice of Acceptance" (Form PCT/DO/EO/903).
